Santa - Sara - Kali

English - text :

**This is a beautiful ICON of an
"Hindu-Romani" Goddess called "KALI"
who is also known by various
other names such as:**

- 1. "SATI - SARA", (Indian Hindus & Roma/Cigana).**
- 2. "SINTI - SARA", (Roma/Cigana).**
- 3. "SANTA - SARA", (Roma/Cigana).**
- 4. "KALI - SARA", (Hindus & Roma).**
- 5. "SATI - SARA - KALI", (Hindus & Roma).**
- 6. "SANTA - SARA - KLARA", (Roma/Cigana).**
- 7. "SANTA - SARA - KALI", (Roma & Hindus).**
- 8. "KALI", (Hindus & Roma).**
- 9. "DURGA", (Hindus).**

10. "PARVATI", (Hindus), teetc.

This common Goddess "KALI" between "Roma & Hindus" is a very strong proof with us that Roma's mother country is INDIA and their fore-fathers belonged to all the four main sections of the Indian "Hindu" society. That is why the "ROMA and HINDUS" still have the common " Gods & Goddesses, language, Culture, customs and old traditions".

For this you can refer "Rajtrangni" by Kalhan the 11th century history of Kashmir(INDIA) and also "Sati-Sara" a book written by prof Dr Ved Ghai, Head of the Sanskrit Dept in Jammu University (India).

It is really very sad that some selfish Roma and non-Roma/Gaje people are exploiting the name of "Roma & Romani " for their personal selfish interests for making quick money and self praise and propaganda and thus they have knowingly created lot of confusion in the Romani "History & Language" by telling repeated lies and concocting false hypothesis to malign the Roma people.

Therefore it is very important for all the good Roma and Gaje people to beware of such fake scholars and remove their masks

from their ugly faces.

**In the end I leave you Roma people
in care of Goddess KALI !!!**

With Best Wishes !!!
